1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Rathbun on June 24, 2004.

The application has been amended as follows:

In claim 1:

On line 19: after position, -- and for preventing the upward movement of the canopy when an object is sensed-- has been added

In claim 13:

On line 20: after position, -- and for preventing the upward movement of the canopy when an object is sensed-- has been added

2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach an infant care apparatus having an opening in a canopy for directing radiant energy through said opening when the canopy is in a raised position and an object sensing means for sensing the presence of an object resting on the closed door

of the opening and preventing the upward movement of the canopy when an object is sensed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John P Lacyk whose telephone number is 703-308-2995.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Max Hindenburg can be reached on 308-3130. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
